News flash! Demon-possessed girl healed by Jesus.

The woman begged Jesus to force a demon out of her daughter.

Jesus was staying in someone's home near the city of Tyre when a foreign woman came to Him and fell at His feet.

Jesus told her that the children must first be fed and told her to wait until the children had finished eating.

Jesus was a Jewish man. He came to tell the Jews to turn back to God.

The woman said, 'Lord, even dogs eat the crumbs that children drop from the table'.

The woman who came to Jesus was not Jewish.

This is the point where Jesus came down from the mountain with three disciples.

This is where a crowd of people had gathered around the other disciples. The teachers of the Law were arguing with them.

This is the place where Jesus' disciples failed to drive a demon out of a boy. The boy's father thought that because the disciples couldn't do it, that Jesus wouldn't be able to either.
