Have you ever received  
an invitation...

To a birthday party?

To watch a  
football game?

To a big wedding?

The best invitations are to unforgettable events with amazing people.

Jesus loved giving invitations. And his most wonderful invitation of all was this:

Everyone who believes  
in me as their King and  
Rescuer will have life,  
with me, forever.

He was inviting  
people to heaven.
