

## NEW LIFE CHURCH

Dear **[recipient's name]**,

We're so glad you decided to visit [name of church]. It's an honor to get to meet you. I hope that you enjoyed gathering with us. Our aim each week is to exalt Jesus together through the various elements of corporate worship. My prayer is that everyone assembled would have increased love for Christ as a result of our time together.

Hopefully you saw during service that our church values the good news of Jesus, as well as the local church. In Scripture, God describes the church in several ways, including as the family of God. What a glorious thought!

Practically, we as the family of God show our love for Jesus and each other through ministries like **[example of ministry]** and **[example of ministry]**. Our mission is **[mission statement.]**

The free copy of *Love Your Church* by Tony Merida is included as a welcome gift because this book talks about what else it means to be a part of the family of God. We also hope that reading through this book will help you as you might be considering your place in the church.

We'd love to get to know you better and help you connect here at [name of church]. Please feel free to reach out to us at **[contact info]** so we can **[call you, get lunch, etc.]**

Thanks again for coming, we hope to see you again soon!
