## UNIT 3 : 5-7s

### *God rescues His people* From Exodus to Joshua

#### Photocopiable masters for downloading

The following photocopiable masters are designed to be used with Unit 3 of CLICK (5-7s).

The contents remain the copyright of The Good Book Company. These masters may only be used by leaders who have purchased CLICK (5-7s) to use with their group. You can find full details of the CLICK teaching curriculum from our website ([www.thegoodbook.co.uk](http://www.thegoodbook.co.uk)) or by phoning a member of our admin team on 0845 225 0880.

#### The small print

CLICK is based on the kids@church programme from CEP Australia. The material has been revised, expanded and redesigned for use in the UK. Original material written by Rhonda Watson & Tracey Mayo. Revised and expanded by Alison Mitchell ([alison@thegoodbook.co.uk](mailto:alison@thegoodbook.co.uk)).

Designs by Wild Associates Ltd and Jon Bradley. Extra illustrations by Kirsty McAllister.

# CLICK<sup>®</sup> 5-7s PLANNING SHEET

Use this sheet to plan your session—or fill it in quickly at the end of the session so that the leader next week knows what has been taught, how the session went, which songs were sung etc. You may find it helpful to keep these planning sheets in a ringbinder at church.

Notes for next week:

### Think about it

Do the children understand that their problems matter to God?

Have the children been encouraged to pray to God themselves?

### Think ahead

You will need **Memory verse poster 1** and the children's **On the road with Moses notebooks**. You will also need props for the drama, a bell and the prayer flashcards from this session.

See **Gear** in Session 2 (page 18).

# Does God know about us?

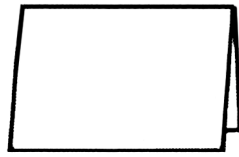

# Does God see us?

# Does God care about our problems?

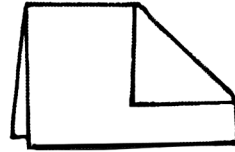

Begin with a sheet of A4 paper.

## How to fold the boat

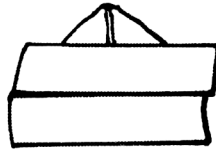

Fold the paper in half.

Fold the top right-hand corner into the centre.

Fold the top left-hand corner into the centre.

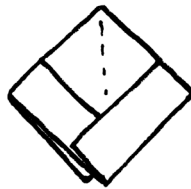

Fold one flap upwards.

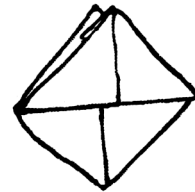

Fold the second flap upwards.

Place your thumbs inside the paper. Pull outwards and ...

... flatten the paper.

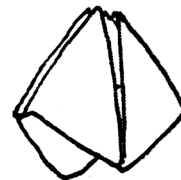

Fold one flap up from the bottom.

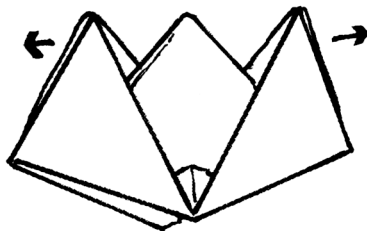

Turn the paper over and fold the second flap upwards.

Place your thumbs inside the paper. Pull outwards and ...

... flatten the paper.

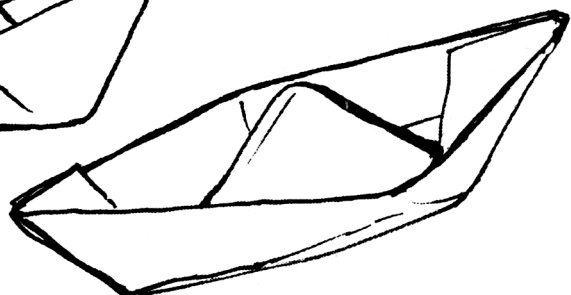

Pull the ends outwards.

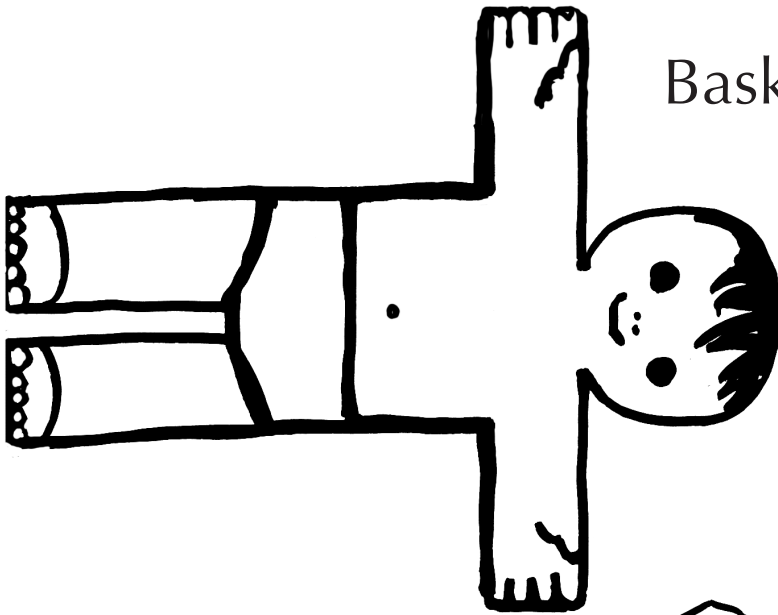

Now ... put your thumbs in the middle of the boat and pull the paper outwards.

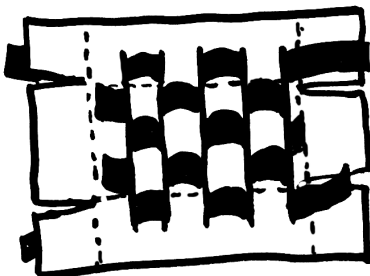

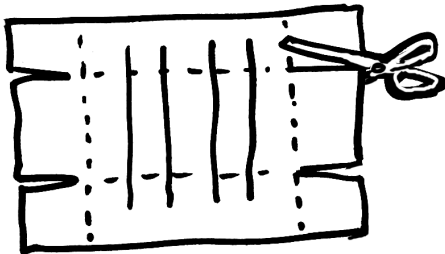

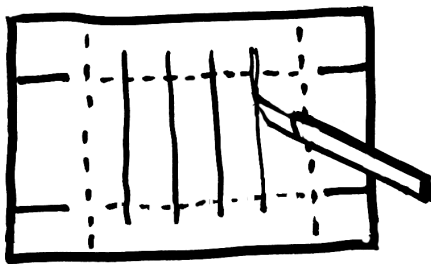

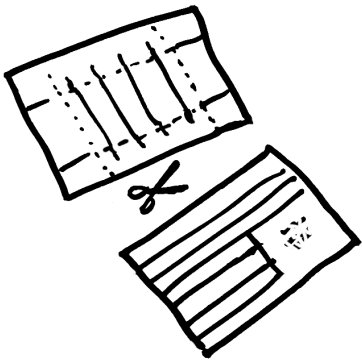

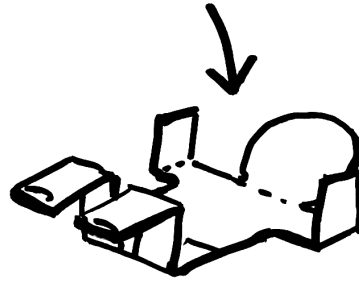

You should now have a paper boat!

# Basket for Moses

Cut baby Moses out, colour him in, fold his arms and legs and place him in your basket.

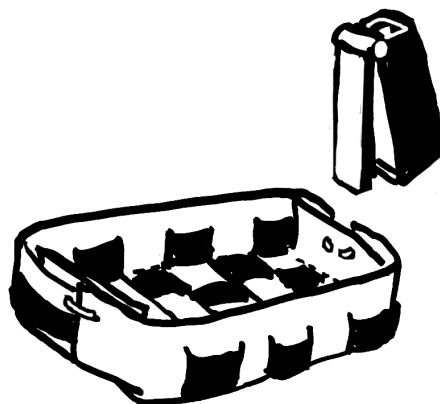

1. Weave a basket from coloured cardboard or paper.

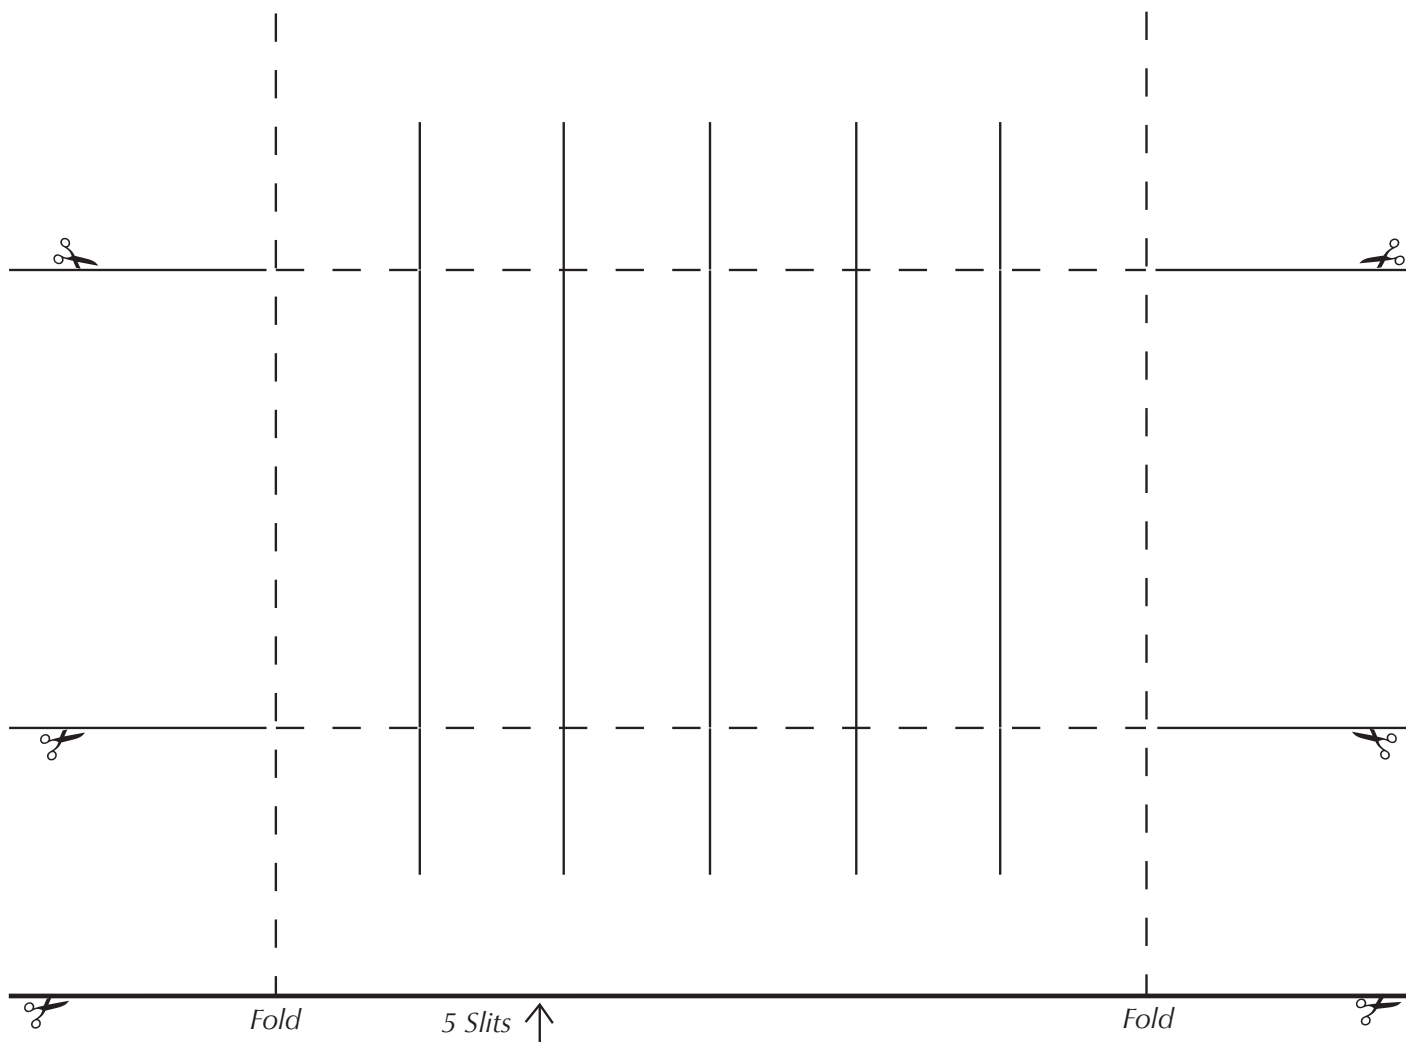

Either use the photocopiable (page 18) or use another sheet of paper or cardboard. Draw a margin all the way around the mat, approximately 4 cm in from the edge. Cut slits in the mat as shown.

2. Either use different coloured paper on the copier, or colour and cut out the strips. Weave the first strip in and out, the second strip out and in, and so on. If you like, fasten the strips at either end with adhesive tape or a spot of glue (but they will hold anyway).

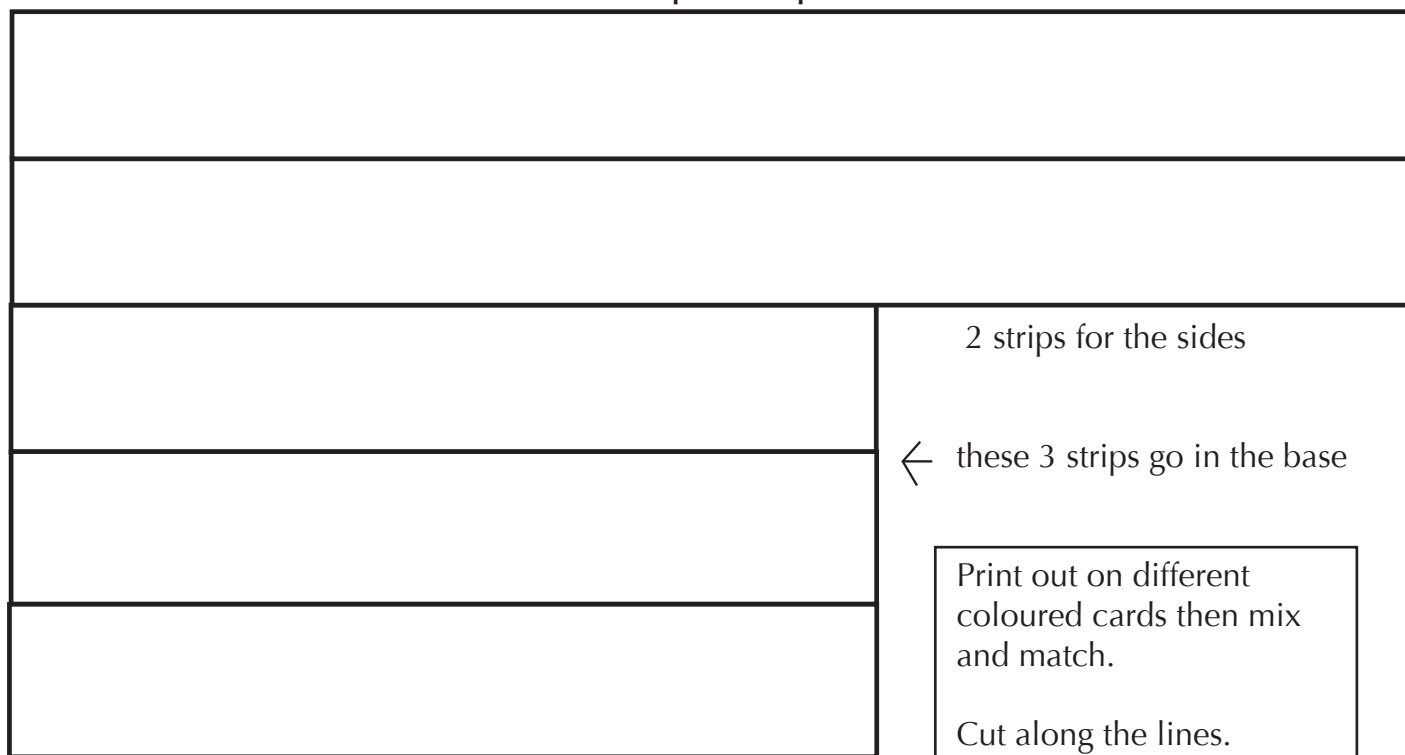

3. Cut one slit in each corner as shown.

4. Fold the long borders in, followed by the short borders. Wrap the ends of the long borders around and staple in place to form a basket ready for Moses.

### Paper strips

2 strips for the sides

← these 3 strips go in the base

Print out on different  
coloured cards then mix  
and match.

Cut along the lines.  
Fold along the dotted lines.

# Passover recipes

## Traditional charoset

This recipe makes 20,  $\frac{1}{2}$  teaspoon servings. The charoset will keep for three days when it is refrigerated.

### Ingredients:

75g or  $\frac{3}{4}$  cup walnuts  
 $\frac{1}{4}$  large cooking apple  
Apple juice to moisten  
2 level teaspoons cinnamon  
2 level teaspoons sugar

Mince the walnuts and apple in a food processor. Moisten with the apple juice. Flavour with cinnamon and sugar. The consistency should be that of mortar.

## Passover cheese balls

### Ingredients:

2 eggs, separated  
225g cottage cheese  
2 tablespoons sugar, optional  
 $\frac{1}{2}$  teaspoon salt, if no sugar  
4 tablespoons matzo meal  
2 tablespoons melted butter, optional  
Apple sauce, sugar-cinnamon or sour cream, optional

Beat the egg whites until stiff. Mix the cheese, egg yolks, and sugar or salt. Stir in enough matzo meal to make a batter thick enough to work with your hands. Fold in butter and egg whites. Leave to stand for 30 minutes. Make small balls and drop into boiling water. When they rise to the top, they are done. Serve with apple sauce, sugar-cinnamon or sour cream.

## Jewish cheese blintzes

These may be prepared in advance and chilled, ready to bake. Alternatively, you may like to encourage the children to prepare them. This recipe makes 12 blintzes.

### Ingredients:

2 cups ricotta cheese  
3 tablespoons softened cream cheese  
 $\frac{1}{4}$  cup sugar  
1 teaspoon vanilla  
3 eggs  
1 cup milk  
Pancake mix (shaker bottle is easiest)  
2 tablespoons melted margarine or butter  
Sour cream and strawberry jam (optional)

To prepare the filling, use a small mixer bowl to combine the ricotta cheese, cream cheese, sugar and vanilla. Beat at medium speed until smooth. Cover and chill until ready to use.

*continued*

Prepare the pancake mix according to the instructions on the bottle, then shake until smooth. Make the mixture fairly runny. Heat the frypan. For each pancake, pour about  $\frac{1}{4}$  cup batter into the hot, prepared pan. Immediately tilt the pan to coat the bottom evenly with a thin layer. When the pancakes are cooked, remove from the pan and stack the pancakes between sheets of baking paper.

Heat an oven to 325°F/160°C/Gas Mark 3. Grease a 13 x 9 inch glass baking dish with 1 teaspoon of melted margarine. Spoon two rounded tablespoons of filling into the centre of each pancake. Fold two sides over the filling and fold up the ends to form a rectangle. Place the blintzes in a prepared dish and brush with the remaining margarine (\*). Bake for 20 to 25 minutes or until heated through. Serve with sour cream and strawberry jam, if desired.

\* NOTE: At this point, the blintzes may be covered tightly and refrigerated several hours or overnight until ready to bake. Uncover, then proceed as the recipe directs.

## Unleavened bread

### Ingredients:

3 cups self-raising flour

1½ teaspoons salt

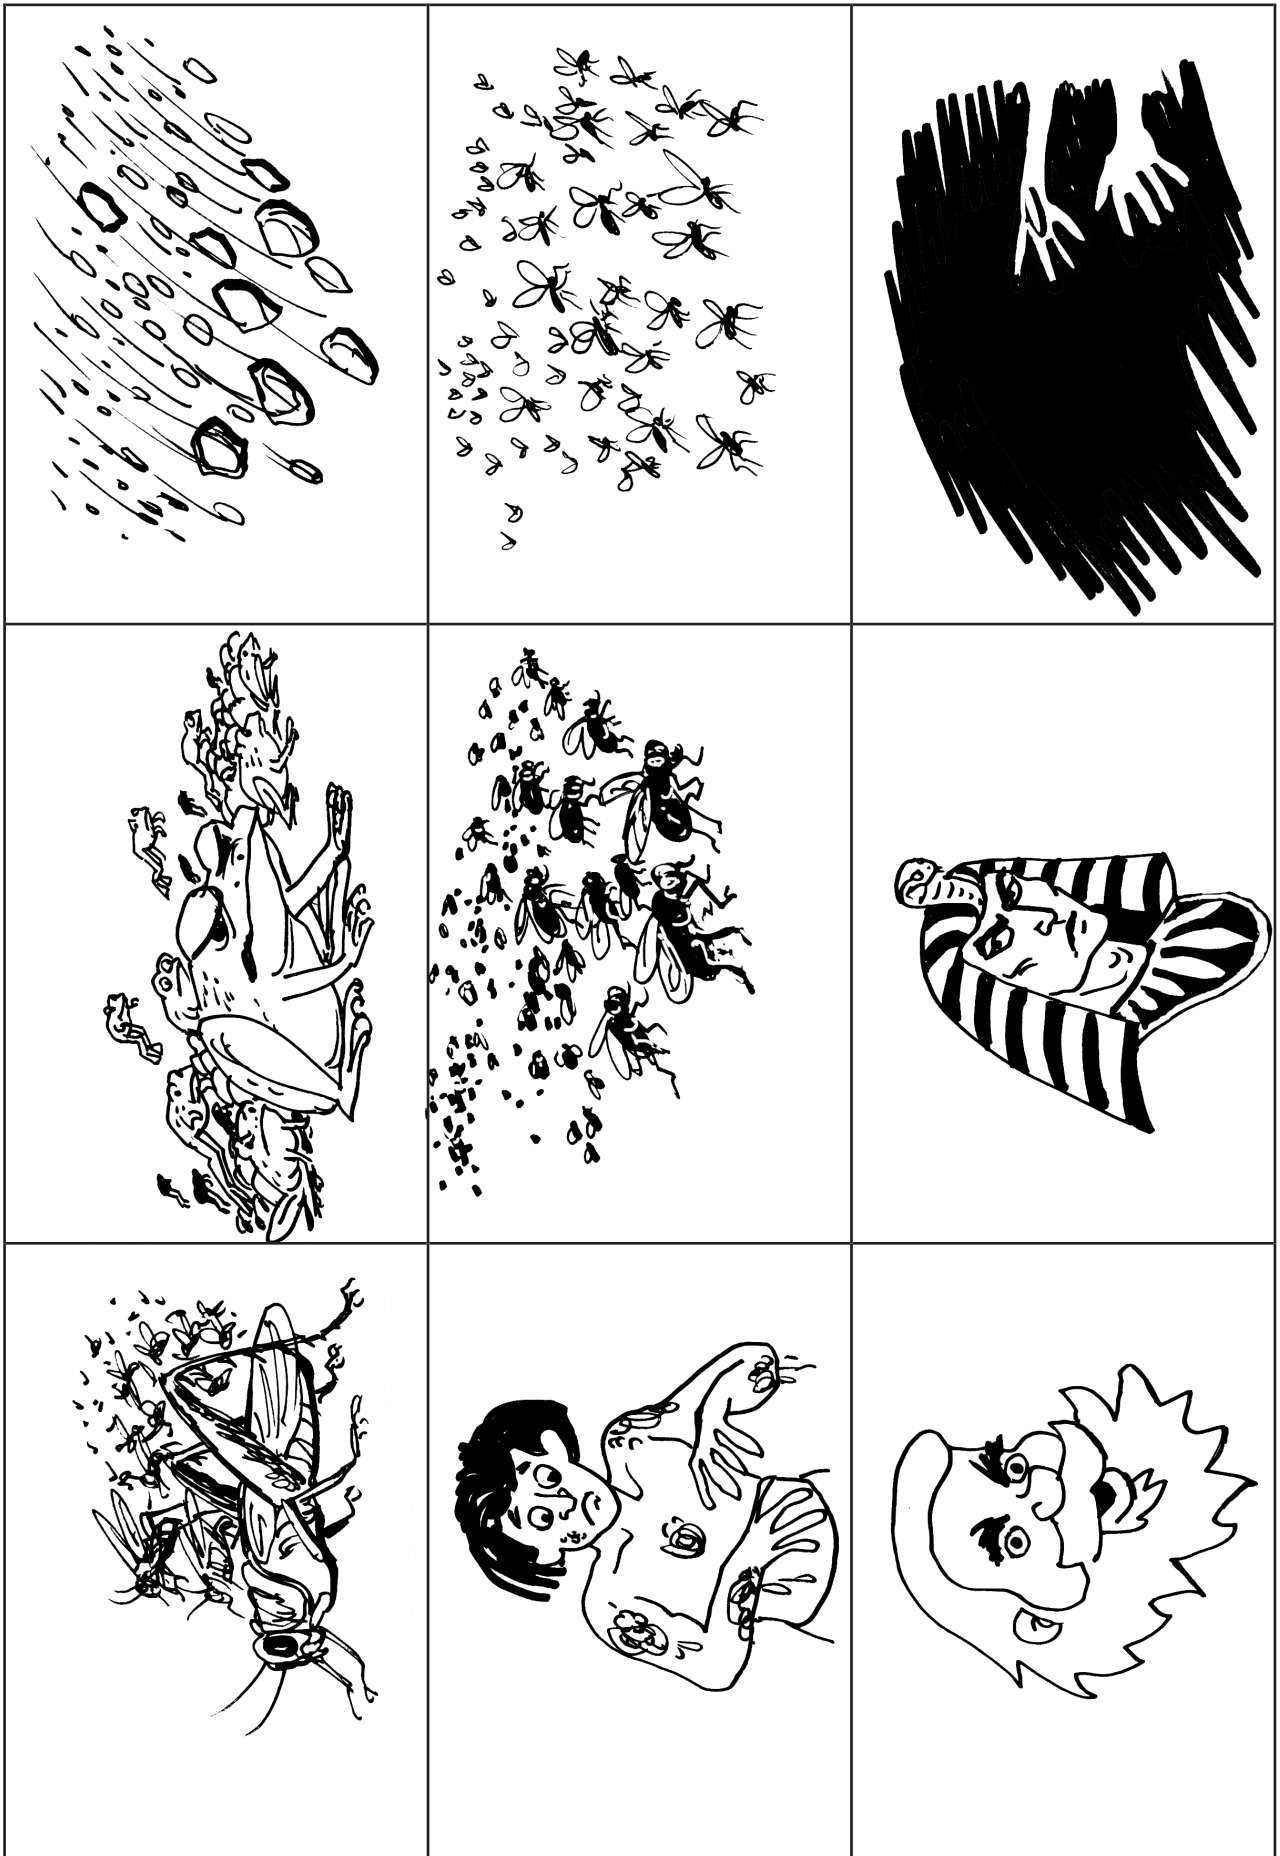

90g margarine or butter

½ cup milk

½ cup water

Extra flour

Sift the flour and salt into a bowl. Rub the margarine into the flour until the mix resembles fine bread crumbs and are even in size. Make a well in the centre of the dry ingredients. Add water and milk all at once. Mix lightly. Turn out onto a floured surface. Knead lightly. Place on a greased or lined tray that will fit in the frying pan. Pat the dough out to a 15 cm circle. Using a sharp knife, cut two slits across the dough to form a cross approximately 1 cm deep. Brush the top with milk. Sift a little extra flour over the dough. Place some egg rings in the frying pan. Place the tray on top of the egg rings to keep it off the surface of the frypan. Bake in a hot frying pan until golden brown, approximately 10 to 15 minutes.

# Finger puppets

1. Draw your puppets straight onto your fingers with a felt-tipped pen.

2. Draw the faces on a glove or pair of gloves, such as rubber washing-up gloves. Cut the fingers from the gloves so they fit over your fingers.

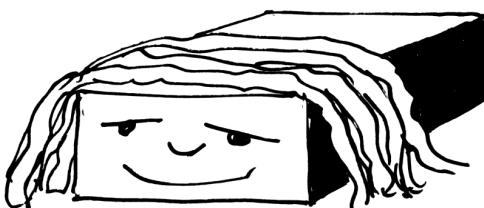

3. Use rectangles of paper with the faces drawn on them. Glue or sticky tape the ends of the paper together to form cylinders to fit around your fingers.

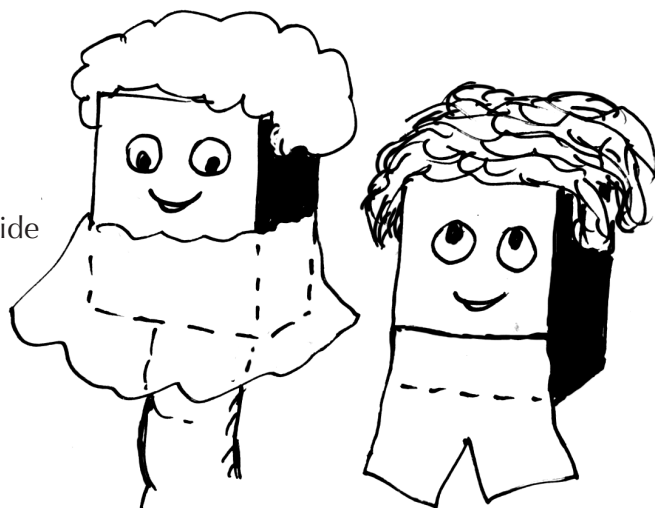

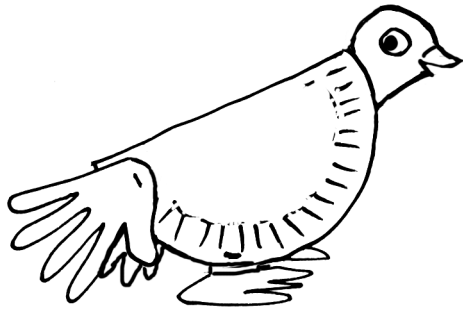

4. Use old matchbox covers to make finger puppets. Draw the faces on rectangles of paper. The faces should be the size of one side of your matchbox cover. Wrap the paper around the matchbox cover. You could add wool hair over the top of the box and paste at the sides.

Faces on the longer side

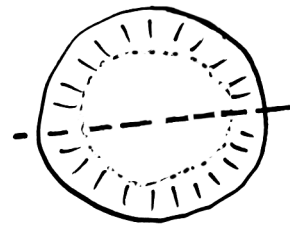

## Paper plate quails

1. Trace your hands onto paper—twice—then cut out the shapes. These are the quail's tail feathers and feet.

2. Fold a paper plate in half. This is the quail's body.

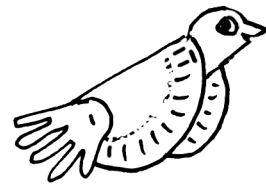

3. Staple one pair of the hands at one end of the folded paper plate.

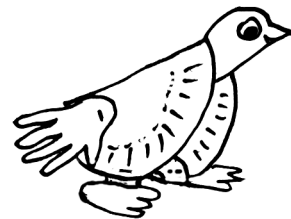

4. Cut out a circle for the head and small oval for the beak.

5. Colour the beak and head, then add eyes.

6. Staple the head at the other end of the folded paper plate.

7. Staple the remaining pair of hands to the bottom of one side of the paper plate to act as the quail's feet.
