

JESUS.

Jesus is the All-Time, Undisputed Lord.

He is the only one who has paid for our sins, by dying on the cross. He is the only one who has left death for dead, by rising back to life. He is the only one who can invite us to this amazing party. **WOW!**

And then everything will change, and all Jesus' friends will be together, and the eternal party will start!

Draw food
on the
table.
