This is our gingerbread house.

It is **big**.  
Really **big**.

It is so **big** that we could have it for  
breakfast,  
lunch,  
and dinner.

our gingerbread house is **big**.

But not as **big** as...

our cat,  
**Freddie!**

He is so **big** that he  
can't **fit** through his **cat flap**  
and has to **tap** on the  
window to be let in.

Freddie is **big**.

But not as **big** as...

My guitar teacher, Mr Spinelli!

He is so **big** that when he  
gets **excited** he knocks all the  
decorations  
off the  
**mantlepiece.**

Mr Spinelli is **big**.

But not as **big** as...

★ The **giant**  
**snowman**  
★ on Mrs McGeachie's  
front lawn!

It is so **big** that she  
**hides** behind it every morning  
to **jump out** and  
**scare** the postman.

Mrs McGeachie's  
snowman is **big**.

But not as  
**big**  
as...

The **Christmas tree**  
in our town square!

It is so **big** that Mr de Silva  
had to use his really, really,

really  
tall  
ladder

to put the star on top.

The town Christmas tree is **big**.

But not as **big** as...
