

Family Project: Showing Others God's Love

In Ecuador, Elisabeth realized she needed to show people Jesus' love, not just tell them about him. Over the next 5 days, let's come up with ways to show people Jesus' love and practice having courage in Christ as we do.

Day 1: Ideas for Showing God's Love

Spend time today coming up with ideas for showing other people God's love. Here are some questions to help you brainstorm:

- What makes you feel loved?
- What reminds you that God loves you?
- What questions do you have about God's love?
- What makes you worry that God does not love you?

Write your list of five or more ideas for showing others God's love below. Pray and ask God to help you see which of these ideas to try and on which days.

Day 2: I'll Show Love By _____

Pick one of your ideas for showing God's love to others. Pray to ask God's help to try out your idea today. Ask Him:

- To show you who needs his love
- To help you in the moment to have the courage and wisdom to show his love
- To work in others' hearts as you care for them

Ready? Come back and answer these questions once you have tried out your idea.

- How did others respond to you caring for them?
- What did God teach you or do in your heart?
