

# Hallowe'en tracts

Turn the darkest night of the year  
in to a gospel opportunity!

These brand new tracts take the theme of Hallowe'en and use it as a springboard to explain the gospel to children and teenagers.

## How to give away a Hallowe'en tract at the door.

1. Stock up on sweets, chocolates and tracts
2. Make sure you're at home on the 31st October
3. When children come trick or treating, simply hand them some sweets or chocolates along with a tract which "explains a bit more about Hallowe'en".
4. Pray!
